CLIENT STORY

PEACE, POWER & PERFORMANCE SYSTEM

# "LIFE IS SO MUCH LIGHTER NOW."

MM

**Marie M.**
Irish Music Teacher & Founder, Fleadh Ready

## IN HER WORDS

"I was overthinking situations and avoiding opportunities in work and in my relationships. I had nerves before and during gigs, and my brain was telling me stories about myself.

Shaun wasn't promising the world, but I knew the world was on the other side because he was so straight-talking and useful. His questions still work for me now: is this a fact? And if it wasn't, how would I act?

Now when I'm off the path I aspire to be on, I just step back on. It's fine. It's so much lighter now."

### BEFORE

**"All or nothing. If I brought something up, it would mean the end of the world as we knew it."**

### AFTER

**"People can behave however they want to behave, but I don't have to buy into their story."**

### PEACE

"When you let go of control, things work out. They just do."

### POWER

"It pulls me out of the darkness and makes me feel more powerful. You're not sitting in the mire."

### PERFORMANCE

"When you get the principles behind the PPP System it covers everything: work, relationships, all of it. You're able for everything."
