CLIENT STORY

PEACE, POWER & PERFORMANCE SYSTEM

"IF YOU QUIT OVERTHINKING, IT'S CRAZY HOW UNSHACKLED YOU ARE."

CR

Chris R.
IT Business Owner, USA

IN HIS WORDS

"For 10, 15 years I thought if I found the right person, the right therapist, did these three things or took these supplements, the stress and strain I carry would eventually go away. That wasn't it.

"Once it clicked, that was it. Things are moving in ways I didn't expect. I used to spin on hiring someone: what does this mean for me, for my business? That all fell away. I don't think I've seen things move like this in a long time."

When we first started, Shaun told me I had it within me. I didn't believe it back then. Now I see it for what it is. "I thought if I sat ten sessions, that would be the thing that unlocks inner peace. It wasn't. It was realising I spent a lot of time spinning in circles, and I don't have to do that."

> "I've been more productive in a couple of weeks than I can remember.

BEFORE	AFTER
"I'd lose sleep for a week. We're going to be broke. What if more clients go?"	**"All right, this happened. Now we pick up and go to the next thing."**

PEACE

"There's no need to jump on something or problem-solve it right now. Sometimes it can just be."

POWER

"I caught it right away. I know this is just my thoughts running wild. You're okay."

PERFORMANCE

"At work, I just go do things. That's it."
