CLIENT STORY

PEACE, POWER & PERFORMANCE SYSTEM

"I'M PLAYING ON EASY MODE NOW AND STILL ACHIEVING RESULTS."

Pain to Performance - Business Owner

IN HIS WORDS

"I reached out because I knew I was the limiting factor to further growth. I believed things needed to be really hard to be successful. I need to be tired. I need to be bleeding from the eyeballs.

I was going through a challenging time and I was going to take two days off. Shaun said take four. That was the first time a boundary was properly placed, and I've done a much better job of that ever since.

I used to wear hard work like a badge of honour. I still push and do well, but I don't need to be negative towards myself to achieve the same result."
