CLIENT STORY

PEACE, POWER & PERFORMANCE SYSTEM

"I'M TAKING MORE JOY IN THE SIMPLE THINGS."

IN HIS WORDS

"I was tired all the time, limping from weekend to weekend. I'd fallen out of the things I loved, like running, and I was focused on what I didn't have rather than what I had.

My wife noticed I now let go of things and don't dwell as much. I have more balance. I bring the dogs for a walk now because I want to, not because I have to.

The uncertainty I'm facing at work right now would have had me really stressed out 14 months ago. Now it's: "I can't control it, and when the issue comes up, I'll address it then."
